

## Chilwell Manor Golf Club Points of Information 2024

1. Members are required to register before play when playing in a competition. Please remember to sign in either at the Pro Shop or using the ClubV1/HDID app - scores MUST be recorded using the same app or the computer in the spike bar.
2. Members playing at other golf clubs should register their intention to enter a score using the MyEG app and then enter the score before leaving the vicinity of the course.
3. All qualifying and supplementary scores must be submitted ASAP. It is permissible to pick up on a hole when playing in medal qualifier competitions if score is excessive, above net double bogey. Remaining holes should be played. The score for the hole(s) not completed will be entered as zero and will result in disqualification from the competition. Your score will still count for handicap purposes. If a hole is not played (for instance bad weather or when a hole is closed for any reason), then instead of entering a score tick the Did Not Play (DNP) box when a score will be given based on players expected score.
4. Members wishing to play in A/B Matches (friendly matches against other clubs) should contact the Vice-Captain. Add your name to the list in the corridor if interested.
5. Notts Alliance (individual / team events at courses around the County played between October and April) should contact the professional team for fixture information.
6. Repair all pitch marks on the greens even if they have not been made by you. Rule of thumb repair yours and one other. Rake all bunkers. When possible, please take out divot bags to repair divots on the course. Priority on the course – 18<sup>th</sup> green over 1<sup>st</sup> tee, 9<sup>th</sup> tee over 17<sup>th</sup> green, 11<sup>th</sup> tee over 15<sup>th</sup> green.
7. Tee times on BRS will be available for booking at 6pm 8 days prior. Tee times for competitions on Club V1 will be available for booking at 6pm 22 days prior. You will receive an email alerting you to the competition going live that week. Knockout tee times can be prebooked in advance of the 8 days by contacting the match team or the pro shop.
8. Members can cancel their tee time in a competition up to 11.59am on the day before the event and the entry fee will be refunded back to their gold card. If you need to cancel after this deadline, you must contact the Pro Team. No refunds will be made after the deadline time and failure to turn up on the day without prior notification will result in being suspended from the following week's competition. As a matter of etiquette, you should contact your playing partners if you wish to change tee times or withdraw. Contact details can be found in the members area on the website and on the Club V1 app under membership. It is your responsibility to keep this information up to date. To enter the competitions a minimum of £5 is needed on your gold card.
9. Knockout Competitions are available for entry at the beginning of the summer season on Club V1.
10. The handicap limits for trophy competitions are shown in the trophy booklet on the website. Members can still play in these competitions but will play off the specified limit.

11. There is a 10-hole competition on Wednesdays called 'The Bash' - book tee time on BRS and enter before play in the pro shop.
12. WhatsApp group – To the Manor Born – a group for new members for information and golfing buddies. New members are advised to join but feel free to leave at any time.
13. Pairs competitions are now acceptable for handicap purposes. One player must have scored on minimum of 9 holes and the team score must be greater than 42 points.
14. Reciprocal golf is available at Ormond Fields, Chesterfield, Lingdale and Birstall. Chilwell is a member of the 1906 Club for golf clubs founded in 1906 Details of available courses and rates can be found on the club website. County Card - discounted green fees available throughout the county. You can pick up a County Card from the pro shop.
